

ONLINE AT THE Y

Learn, create, do something new by learning with the Y from your home

Weather Chart

Recommended for ages 2 and Above

Resources/Ingredients:

- Paper plates
- Black marker
- Ruler
- Scissors
- Crayons
- Glue stick
- Paper fastener / pin for the arrow

Instructions:

1. With the black marker and ruler, divide the paper plate in to 4 equal sections.
2. Draw different weather pictures into each divide of the paper plate.
3. Draw and cut out an arrow.
4. Using a paper fastener/pin, attach the arrow.
