Sensory play with feathers

Recommended age: Birth to 5 years

Resources/Ingredients:

- Clear adhesive paper
- different coloured feathers

Instructions: <https://www.youtube.com/watch?v=JtRHtCa6GZ8>

1. Click on the link to read the story
2. Place a large square piece of adhesive paper on the floor, sticky side up.
3. Invite the child to toss feathers up in the air so they fall on the adhesive paper.
4. Once all the feathers have fallen to the ground, set a second piece of adhesive paper on top to seal the feathers inside.
5. Display your masterpiece on the wall or set it up on the mat so that the child can further investigate with own senses.
