Recommended age: 2 – 5 years

### Resources/Ingredients:

- Pom poms / Play dough
- Scoops / Spoons / Containers for the “ice cream”
- Labels (drawing or writing on paper to label the flavour of ice cream)

### Playdough ingredients:

- 1 cup flour
- 1/2 cup table salt
- 2 tbsp cream of tartar
- 1 tbsp oil
- 1 cup of boiling water
- Food Colouring

Start boiling your water. In a separate bowl, combine the flour, salt and cream of tartar. Mix well.

Add the oil and mix a few drops of food colouring into the boiling water, add to the bowl.

Mix together well until it is cool enough to mix with your hands. Roll up your sleeves and start massaging with your hands until it's no longer sticky.

### Tips:

Use the same measuring cup for all the ingredients and tap the cup full of flour so that all the air bubbles come out and you may measure it accurately.

Wait for the play dough to cool off completely. Wrap in plastic and place in an air tight container. Store at room temperature for up to 6 months.
