Discussion Tips and Hints...

When talking to children about new things it is best to talk slowly and use words that they understand. Information is easier to retain if it's not detailed. When talking about what Firefighters do, highlight the role play in the community and in a child's life.

- What do fire fighters wear?
- Do fire fighters have a uniform?
- What do fire fighters look like in our community?
- What do fire fighters do?
- Where do fire fighters work?
- Why do fire fighters need a truck?
- How do fire fighters keep safe?
